CONTINUOUS DIGITAL ANALYTICS

Sports digital analysis is increasingly present in professional sports. The objective is to try to show players, through videos and images, everything they can do to improve their individual performance and that of the team as a whole.

FC SFA Madrid is a club that follows the dynamics of modern football and therefore offers:

- ✓ Live streaming of the team's matches, allowing fans to watch us from anywhere.
- ✓ Video recording for continuous evaluation and the creation of a professional portfolio for each player, which will be included in our [digital catalog](#).

SPAIN FOOTBALL ACADEMY - SFA

LICENSE

- At **FC SFA MADRID**, the player will obtain a Spanish federative license and will be able to compete officially at the national level in the second regional Madrid category.
- We guarantee full support in handling the paperwork for the RFFM (Royal Madrid Football Federation).
- In addition, each player will have medical insurance from the Clínica de La Mutualidad de Futbolistas.
